

# Growing Churches

CHURCH REVITALISATION PROJECT

Have you a God-given passion to see your fellowship overflow with vitality and life, making a real impact for the Gospel in your location?

Do you feel that you would benefit from having support and advice from an experienced church leader?

The Church Revitalisation Project is a collaboration of Counties, Church Growth Trust, and GLO, combining their resources with key church leaders to support you as you seek God's guidance on how to move ahead in your local church.

1

Initial contact with  
Church Revitalisation  
Project

2

Conducting a Church  
Health Check

3

Advice given as part  
of local leadership  
discussions of an  
action plan

4

Supporting local  
leadership in  
implementation of  
their plan

When we receive your application we will arrange for a senior worker (a church leader who is associated with one of the partner agencies) to meet with you and discuss the entire process, including the initial Church Health Check. The combination of a set of standard questions, guided by an experienced external adviser, adds a measure of meaningful objectivity to assist realistic reflection and strategic planning. This initial discussion will outline associated costs and time commitments.

After the report (resulting from the Church Health Check) has been compiled, it will be presented to the leadership outlining various steps that could be taken to help the church develop from its current position. These could include specific leadership support/mentoring, working with another local fellowship or considering the appointment of people with the gifts to meet the challenges and opportunities identified. Generally we would recommend that an adviser be appointed to continue to walk with the church through this journey. It may even be possible that a part-time worker could be allocated to the church for a period of time, with some of the necessary funding made available to cover costs. At all stages the local church remains in control of the process.

If you would you like to explore this project in more detail (without obligation) please go to the website [www.counties-training.org/church-revitalisation](http://www.counties-training.org/church-revitalisation) or email [revitalisation@countiesuk.org](mailto:revitalisation@countiesuk.org)

We would love to connect with you.
